

Iron Workers Local 498 will host our Golf Play Day June 2, 2019 with the net proceeds going to the Northwestern Illinois Building Trades - Blais Family Memorial Scholarship Fund.

The NWIBT - Blais Family Memorial Scholarship fund was created and set up by Iron Workers Local 498-member Bob Blais and the NWIBT Council with seed money he donated to start this fund prior to his death after a long battle with cancer. His family has an extensive history in various construction trades with his dad being a past Business Manager for Carpenters Local 792.

The long-term goal of the Scholarship Fund is to grow and provide more and larger scholarships to children of trades men and women.

Please help us support and build this fund up for more opportunities for children of trades men and women to go to college and achieve their dreams.
